

(Continued)

**Now You're Doing a Do-Pas-O
On Your Heel and on Your Toe**

All break left hand holds and gents swing around corner lady with right hand or forearm grip—then into a do-pas-o (or do-si-do). Merely turn partner with left, corner right, and partner left.

*Circle Around Like You Used To Do.

Triple Allemande

Allemande Left and the Ladies Star

Go to the corner with an allemande left and ladies go right into a right hand star walking forward.

Gents Promenade, but not too Far

Gents promenade counter clockwise around the ladies' right hand star.

Meet Your Corner with a Left Hand Swing

Allemande with your same corner. This happens fast.

Gents Star Back Across the Ring

Gentlemen star with right hand and walk forward—ladies walk around outside of star counter clockwise.

Meet that Corner with a Left Allemande

Go Right into a Right and Left Grand

All this is very fast as star and promenade are turning against one another.

This is often called:

Allemande Left and the Ladies Star
The Gents Walk Around but not too Far.
Allemande Left and the Gentlemen Star,
The Ladies Walk Around but not too Far.
Allemande Left with Your Left Hand
Right to Your Partner,
Right and Left Grand.

Your Sets in Order

Now, check these 38 calls against your list . . .

Arizona Double Star

(as danced in California)

First and Third do a Half Sashay

The first and third gents do a half sashay with their partners keeping the ladies on their left

Up to the Center and Back that Way

First and third couples forward and back. Ladies still on left side of partner.

Now Star by the Right in the Center of the Set

First and third couples make right hand star in center.

It's a Left Hand Star with the Couple You Met

After a three-quarter turn, drop off into a left hand star with side couples. First and second together and third and fourth together. Turn once around.

Break to the Center and the Two Ladies Change

First and third couples drop out of stars to center and those two ladies chain across but *don't* chain back.

Now Circle Four Around the Range

First and third couples circle once around and end up so couples are just in front of the side couples, facing the same direction.

Pass Right Through and on You Roam

Split Your Corner and Go Back Home

Center couples (they have exchanged girls) pass thru one another and split side couples—the ladies turn right and gents turn left and go back to their home position.
